SmartZones in CPS - Complete Listing

(CPS Version: 20090105 Service Pack: E or greater.)

The SmartZone™ codes consist of one or two @ symbols followed by an optional special code, and then by the service indicator (si) for the service selected.

For standard shipments, the code is **@@si**, where **si** is the service indicator. For letters, the code format is **@Lsi**; for residential shipments, the code format is **@Rsi**.
